Thank you . . .

to those who brought their lovely roses to the show today, to those who assisted at the show; the judges, clerks, members and everyone who contributed in any way. We appreciate your kind efforts.

Thank you for making this event possible and a wonderful celebration of our National Flower, America's floral emblem, a symbol of Love, Friendship, Beauty and Peace.

This Show is conducted under American Rose Society (ARS) rules and guidelines for exhibiting and judging. Members of the Lake Superior Rose Society (LSRS) will be available to give general assistance and direction upon the request of the exhibitor.

RULES OF THE HORTICULTURE SPECIMEN SHOW

1. Entries will be received beginning at 6 p.m. until 8:00 p.m. Friday, July 15, 2016 and again from 7:00 a.m. until 9:30 a.m. on Saturday, July 16, 2016. Judging will begin at 9:30 a.m. The show will be open to the public from Noon until 3:00 p.m. Awards will be placed at the conclusion of the judging. An announcement ceremony will be held at 2:50 p.m. If you are an award winner, please contact the Show Chair before removing specimen and awards. No exhibit may be removed from the show area until 3:00 p.m. All entries remaining on the show tables after 3:00 p.m. will be collected by volunteers and distributed as the LSRS sees fit. Specimen vases, rose bowls, and rose picture frames will be retained by the Lake Superior Rose Society.
2. This show will be conducted under the alphabetical classification system. Each variety will create its own class and will be judged on its own merits, even if only one specimen of the variety is entered. An exhibitor may enter as many roses as desired in each Horticulture class providing each rose is of a different variety. In Challenge and Arrangement classes, only one (1) entry per exhibitor per class may be entered.
3. All classes are open to exhibitors who are registered for this show and whose roses have been grown outdoors in their own garden. Exhibitors do not need to be LSRS or ARS members.
4. A novice is one who has never won a blue ribbon or trophy in any ARS rose show. A novice may enter the open classes as well as the classes in the Novice Section, but entries in Section B, Class 13 are limited to novices only.
5. No more than one exhibitor from the same garden may enter each class. An exhibitor is interpreted to mean only one member of a household, example: husband and wife as a team, or one member as an individual, one entry per garden. Duplicate entries shall be disqualified.
6. Horticulture Judges and members of their immediate family are not eligible for competition, except for Section B, Class 14 of this show. They may enter the Arrangement Sections.
7. Official entry tags will be furnished by the Lake Superior Rose Society. All sections of the entry tag must be completed showing Section, Class, Variety, Exhibitor's name, address, and Exhibitor number, which is assigned at the time of registration. The judges may disqualify any entry that does not have a properly completed entry tag.

8. Roses can only be exhibited in classes carrying ARS awards if they are specifically listed in the *2016 Official List of Approved Exhibition Names*, the *Official Registry and Checklist ROSA-2014*, or the most recent ARS publication. A printout of registrations from the ARS website would contain a compilation of all additional approved roses since the publication of the 2016 Official List. Other publications may be used for reference only. Some of these additional publications include the *2016 Handbook for Selecting Roses*, *Modern Roses XII*, *International Registration Supplement and the Combined Rose List* by Bev Dobson & Pete Schneider. The Rose Show Judging Chair will give assistance upon request; however, the responsibility for proper identification and classification lies totally with the exhibitor.
9. Roses must be entered in uniform containers furnished by the Lake Superior Rose Society except where specifically stated in the schedule.
10. The use of an aluminum foil wedge to position a specimen in the container is the only wedge permitted and should be placed by the exhibitor. Any other material, if used, will constitute disqualification. The wedge should not appear above the lip of the container, as this will be subject to penalization to the degree of visual disturbance.
11. During placement, only the Placement Committee will be permitted in the Show area. Challenge Class and Arrangement exhibitors may place their own entries.
12. During judging, only judges, clerks and show committee personnel will be permitted in the show area. Any exhibitor who interferes with the judging may be disqualified.
13. Judging shall be in accordance with the current *Guidelines and Rules for Judging Roses* published by the American Rose Society. Decision of the judges is final.
14. Unless otherwise specified, judging of roses will be based on the following:
Form 25%; Color 20%; Substance 15%; Stem & Foliage 20%;
Balance & Proportion 10%; Size 10%, for a total of 100%.
15. Judging of Roses in a Bowl, large and miniature, will be judged on the following point scale: Form 25%; Color 20%; Substance 15%; Overall Appearance and Balance 30%; Size 10%, for a total of 100%.
16. Judging of Roses in a Picture Frame, large and miniature, will be judged on the following point scale: Form 25%; Color 20%; Substance 15%; Overall Appearance and Balance 30%; Size 10%, for a total of 100%.

17. Entries may be disqualified for the following reasons:
 - a. Misnamed or improperly named (Incorrect name or specimen not listed in an approved ARS publication – See Rule #8.)
 - b. Misclassified or misplaced (Entered in the wrong class.)
 - c. Mislabeled or unlabeled (This includes the appearance of the exhibitor's name in any location other than the designated place on the entry tag.)
 - d. Stem-on-stem (A rose exhibited with a portion of previous stem growth attached.) Exception: Species, Old Garden Roses and Shrubs may have stem-on-stem.
 - e. Presence of a foreign substance applied to the foliage, stem, or bloom to improve the appearance of the specimen.
 - f. Side bud(s) on a specimen that must be shown disbudded.
 - g. Specimen not listed in an ARS-approved publication as of the show date. (see Rule # 8)
 - h. A specimen in violation of the ARS rules or Lake Superior Rose Society rules applying to the show.
18. ARS 1st (Blue), 2nd (Red), and 3rd (Yellow) place ribbons will be awarded in each class where warranted. However, the judges may withhold any of these at their discretion. Exhibits will be judged on the basis of their condition at the time of judging. The judges' decision is final. Only blue ribbon winners are eligible for awards. If the exhibitor is an ARS member, an ARS certificate may be awarded. Judging shall be in accordance with the current *Guidelines and Rules for Judging Roses* published by the ARS.
19. All exhibitors are eligible for awards. Winners will be recorded by show officials.
20. Care for your exhibits will be provided to the best of the rose show committee's ability. However, the Lake Superior Rose Society does not assume responsibility for any loss or damage to exhibits or personal property. It is suggested that all personal property of the exhibitor be marked with his/her name and address.
21. Regretably, the rose show committee and LSRS members are not able to hold ribbons, certificates, or other awards, or ship them to winning exhibitors after the breakdown of the show. Ribbons left behind will be recycled. Exhibitor tags may be returned to the exhibitor if requested prior to show close.
22. The Rose Show Committee Judge Chairperson will rule on any question regarding the show schedule.
